ELIGIBILITY REQUIREMENTS

1. You must be born before January 1, 2006. If you were born after this window, you are not eligible to participate this season.
2. You must be a legal U.S. resident and be authorized to participate in the entire competition portion of the Program and throughout the term of any post-show agreements provided by Producer or any of the other Program Entities (as defined below), such as but not limited to, a drivers agreement. This means that you must either: (i) have the unrestricted right to work in the United States, or (ii) possess the appropriate United States employment authorization that permits you to participate and compete in the Program and engage in any post-show agreements and related employment. Prior to the beginning of the competition portion of the Program, each potential contestant must demonstrate, to Producer's satisfaction, compliance with this requirement in order to accept an invitation to the competition.
3. You are ineligible to participate in the Program if you have ever had a competition NHRA/IHRA driver's license revoked for any reason.
4. To accept an invitation to participate in the competition portion of the Program, you must be able to demonstrate to the satisfaction of Producer that you do not have any contractual arrangement that would prohibit you from fully participating in the show and/or entering into any contracts required by Producer or any of the other Program Entities (as defined below), including, but not limited to, an exclusive driving contract, merchandising contract, a live and/or global touring agreement.
5. In the event that you already have a management contract prior to your first audition in front of the Program judges, the requirement to enter into a management contract shall not apply to you provided that you can demonstrate to the satisfaction of Producer that such contract commenced prior to the date of your first audition in front of the Program judges. Furthermore, in the event that you have previously entered into and are still a party to a driving agreement prior to your audition in front of the Program judges, then you must agree to promptly disclose the existence of such agreement to Producer (as defined below) (as defined below) (or an affiliate or designee), provide material details of said agreement and/or provide a copy of such agreement (or an affiliate) and you must agree not to extend the existing term of such agreement. By accepting an invitation to be a participant, you must timely complete and return such participant agreements, releases and all exhibits, schedules and attachments thereto that will be furnished to you by Producer.

6. You must accurately complete all documents provided by Producer, any of the other Program Entities or any other entity providing services to the Program.

Please note that in order to enjoy the full benefit of any drivers agreement prize offered as part of the Program, you must be a legal U.S. resident with either the unrestricted right to work in the United States or have employment authorization in the United States that permits you to work and fulfill any post show agreements provided by Producer or any of the other Program Entities and related employment.

Producer has the sole discretion to make determinations of contestant eligibility, which are binding and final in all respects, and Producer reserves the right to change any of the eligibility requirements at any time.

In addition, you acknowledge and agree that Producer has the sole discretion at any time to render ineligible and disqualify any person who, in Producer's sole discretion, is sufficiently acquainted with the development, production, administration, judging, exhibition or other exploitation of the Program such that his or her participation in the Program could create the appearance of impropriety.

Producer reserves the right to allow any eligible person to participate in the Playing With Fire/Next Jet Car Driver competition regardless of where, how, and/or whether they participated in the audition process.
